Emergency (out of hours) 6pm-6am weekday/weekends Initial Hour	£165
Subsequent hours (charged in 30-minute increments)	£74

NOTE:

- All works will be subject to parking/congestion charge and will be stated on all quotations.
- Investigation works are a fixed price of £95 plus basic van stock materials if required. If additional labour or materials are required to rectify the fault, we will quote for accordingly.

Domestic EICRs

All EICRs will be issued once carried out and followed up with quotations for C2 and C3 conditions separately. This is so customers can decide whether to carry out required remedial works to ensure passed certificate only (C2) or rectify all recommendations also (C3).

For private customers

1 bedroom property	£165
2 bedroom property	£185
3 bedroom property	£205
4 bedroom (or more) property	+£30 per additional bedroom

For property managers/estate agents

1 bedroom/studio property	£140
2 bedroom property	£170
3-4 bedroom property	£210

5-6 bedroom property	£265

Commercial EICR

As per consumer unit will be charged at:

Main switch	£50
Per circuit	£19

NOTE:

In the occurrence of a fault during an EICR, all prices include a 20-minute investigation in the hopes to either rectify on site or provide a remedials quote. If we are unable to locate the fault in this time, we will quote for a further investigation when providing the remedials quote as an obvious fault should be located within this time.

PAT testing

All PAT testing will be charged separately as an hour's labour plus £2 per appliance. Commercial PAT testing will be subject to site survey.

VAT

All prices are subject to VAT
